## Shopping | Snow Fun

**T**HE weather outside may be frightful, but not if you've stocked up on the latest cold weather tools and toys to create your own winter carnival. Send the kids sledding on one of these new models or help them build an igloo in the backyard. Let it snow!

NANCY M. BETTER

**ERECTOR SET** Make like Nanook of the North with the Eskimold, a plastic bucket that produces perfectly shaped blocks of snow. Each block interlocks with the others to make building igloos, snow forts and snow castles simple. Order several, so your whole crew can join in the fun. \$18.
